UPDATE: Missing Elderly Man Found - Silver Alert Canceled

New Braunfels, Texas — The Silver Alert issued yesterday for 73-year old Phillip Grant Riddell has been canceled after he was located overnight in Temple, TX.

The Silver Alert was issued after Riddell went missing around 10:45am on Feb. 9th, 2016. He was last seen leaving a business in the 300 block of Landa Street while driving a white 2015 Chrysler Town and Country minivan. He was located a little after midnight by the Temple Police Department after he was stopped for driving the wrong way on I-35 for several miles. Riddell, who is diagnosed with dementia and other medical conditions, was otherwise safe and sound. He was transported to a Temple-area hospital for evaluation and his family has been notified.

The New Braunfels Police Department would like to thank the public, Texas DPS, and all surrounding law enforcement agencies for their efforts in the search.
