Fire Stations #2 and #3 Community Meeting

New Braunfels, Texas — The City of New Braunfels, is inviting the public to participate in a community meeting regarding the conceptual designs of Fire Stations #2 and #3. The meeting will be held on Wednesday, September 19th, from 6:00 p.m. to 7:00 p.m., at City Hall, 550 Landa St., New Braunfels.

In June City Council approved the preliminary engineering contracts for multiple proposed 2019 bond projects, including Fire Stations #2 & #3. The preliminary engineering contract for the fire stations were awarded to Brown Reynolds Watford Architects. The preliminary engineering report will assist the City Council in identifying project feasibility for the 2019 Bond.

This meeting will give the community a chance to see the architectural concept sketches and conceptual designs for the potential new fire stations. All interested individuals, organizations and businesses from New Braunfels are welcome to attend, learn about the project, and offer input.

For details on potential Fire Stations #2 and #3, and other proposed 2019 Bond Projects visit, www.nbtexas.org/Bond2019.
