River Recreation Public Input Meeting

New Braunfels, Texas —New Braunfels residents are encouraged to attend and provide input at the fifth annual river recreation public input meeting on Wednesday, September 19th, at 5:00 p.m., in City Council Chambers at City Hall. City Hall is located at 550 Landa Street.

In 2014, a River Advisory Committee was appointed by City Council to advise them in river related matters. This led to the establishment of an annual public input meeting to give citizens an opportunity to voice their opinions and suggestions for City of New Braunfels river operations. During the meeting, City staff, and the River Advisory Committee, will provide a presentation on the 2018 river season, answer river-related questions and receive input.

“This is an excellent opportunity to learn more about river operations in New Braunfels and to provide ideas and feedback on the river season,” said River Operations Manager Amy Niles. “We encourage citizens to attend and participate.”
