Public Invited to Fire Department Push-In Ceremony

New Braunfels, TX - The public is invited to help the New Braunfels Fire Department celebrate the arrival of its newest fire engine, a Pierce PUC Rescue Pumper, at Fire Station #5 on Saturday, May 18th from 10:00 a.m. to 12:00 noon. The station is located at 1250 W. County Line Road and parking is available in the adjacent Memorial Elementary School parking lot.

The event will begin with a traditional wet-down of the new engine, after which firefighters and the public will use ceremonial, souvenir hand-towels to dry the apparatus before “pushing” it into the fire station.

After the ceremony, the public is encouraged to tour the station, visit with the firefighters, and enjoy refreshments.
